

VASTLHCS Student clinical rotation packet for Nursing Service "With Computer Access"

Step 1: **Read this page first and please follow the instructions carefully******

Submission of completed forms is the responsibility of the student and the affiliated school. All forms must be complete and not missing required information, including required signatures. Forms must be completed in INK. Please DO NOT print forms double-sided. Only single-sided copies will be accepted.

Incomplete forms could cause delay in the approval process for the student. Students are not allowed to start clinicals until all forms are completed, received and fingerprints have cleared.

PLEASE SUBMIT THE APPLICATION PACKET AND GET FINGERPRINTED AT THE VA 6 WEEKS BEFORE YOU ARE SCHEDULED TO START CLINICAL ROTATION.

Step 2: Complete the required forms and online training.

The forms are included in this link, along with instructions for completing the online training. Please utilize this checklist to ensure you have all necessary forms and certificates completed prior to turning them in. Your completed student packet should include the original "ink" copies of the following:

- Fingerprint Record Prep Sheet
- Request for Personal Identity Verification Card
- VAF 10-2850D, Application for Health Professions Trainees
- OF 306 Declaration for Federal Employment
- Without Compensation Letter (leave the "start/end dates blank")
- Without Compensation Checklist
- Certificate of completion for VHA Mandatory Training for Trainees from created TMS account. Be sure to send the certificate with this title.
- Verification of Safety Orientation for Nursing Service Students
- CPRS Tab by Tab Training Certificate
- Documentation for non-US born persons if applicable, as described below**.

**If you were not born in the U.S., we will need a photocopy of documentation showing you are legal to be in this country for this period of time (for example a Naturalization Certificate, Student Visa, or Resident Alien Card). This would include students who were born on military bases outside of the U.S.

Step 3: Get fingerprints done and turn in paperwork.

You will need to travel to the following location to complete the fingerprinting requirements and turn in your completed paperwork:

3641 Olive St.
St. Louis, MO 63106

It is the “blue building” across from the Scottish Rite Parking Garage. Entrance is on the right side of the building. You may park in the Scottish Rite Parking Garage on Olive St. between Grand and Spring. Take the Parking Ticket in with you to HR for validation so you do not have to pay for parking.

The Fingerprint Record Prep Sheet is returned directly to HR when you come in for fingerprinting.

**All other documents are to be placed in a sealed envelope with your (legible) name and school name in the upper left hand corner. The envelope should be addressed to:
Melinda Crain
Nursing Education 118/JC**

Turn this envelope in at HR and request it be placed in “Point to Point” mail. HR will not accept these documents unless they are in a sealed, addressed envelope.

Step 4: Check your email frequently. (The address that you provided on your applications)

Important information related to your VA clinical rotation including missing paperwork, missing certificates for online training, fingerprint issues, badging information etc. will be communicated by email. Please watch for emails from either Melinda Crain (your VA student clinical rotation liaison) or your school clinical coordinator.

Failure to respond to notifications regarding issues with student paperwork or fingerprints can cause delay in the approval process. Please try to complete missing or incomplete requirements as soon as possible.

If you receive notification that something is missing (paperwork, certificates, fingerprints etc.) and you have already fulfilled the requirement, please let Melinda Crain know this as soon as possible. This will aid in tracking the item.

Step 5: If you have questions regarding the student boarding process, please email Melinda Crain at Melinda.Crain@va.gov

Answers to frequently asked questions:

When will I get my computer access information?

If you are part of a clinical group, you will receive live computer training and computer access information per your school clinical rotation instructor. This usually takes place on your first clinical day at the VA (orientation day).

If you are not part of a clinical group, you will be required to take a live computer training course. This course is located at our Jefferson Barracks division, every other Wednesday from 0730-1600. It usually does not last all day, but you need to have your schedule available for the full time. Once your paperwork requirements and fingerprinting requirements are met, Melinda Crain will contact you regarding the computer training class and work with you to schedule a date.

When will I get my VA issued ID badge?

If you are part of a clinical group, it is at your clinical instructors discretion as to how they wish to handle the badging process. Some instructors take students on their orientation day to the badging office. Other instructors wish for students to pick up their badges in advance. Please watch your emails closely as clinical start time draws near. Your instructions for badging will be sent to you, usually in an email from your clinical coordinator from your school. Badging does not take place until close to your clinical start time (either a couple of days prior or the first day of clinical). You must meet all paperwork and fingerprinting requirements before you are eligible for your VA issued ID badge.

If you are not part of a clinical group, you will receive email notification from Melinda Crain when you are eligible to obtain your VA Issued ID badge, with requirement and location instructions. This will be at the end of the student boarding process, after all paperwork and fingerprinting requirements are met.

I am not part of a scheduled clinical group and will be coming here as an individual student. When will I be able to start my rotation?

The student boarding process can be very lengthy. Typically it can take up to 4-6 weeks. Please do your fingerprinting and turn in your completed applications and certificates in a timely manner. Please double check to be sure that all items are completed, with signatures prior to turning the documents in. This can help prevent delays due to incomplete paperwork. Students do not have authorization to start their rotation until all paperwork is completed, their fingerprint check is completed and without issues, and all forms are signed by authorized VA officials. Your VA student liaison, Melinda Crain, will notify both you and your preceptor when all requirements are met and your paperwork has been signed. You will receive email notification when you have been "cleared" to start. *****You should not start your clinical rotation prior to receiving this notification*****

I was at the VA as a student previously; do I need to complete all of these requirements again?

You will need to complete all of the paper forms again as the forms are only good for each (1) student rotation. You will need to be re-fingerprinted.

You potentially may not have to complete the online training certificates again. It depends on the date the certificates were completed initially. You will need to contact Melinda Crain by email to find out if you need to complete the computer training again, or if you still meet the requirements based on what you completed for a previous student rotation.

I am not part of a scheduled clinical group and need to extend my clinical time at the VA. What do I need to do?

As soon as you discover that you will need more time to complete the rotation (and this has already been approved by your school), you will need to contact Melinda Crain by email for instructions. You will need to fill out all paperwork again and most likely be re-fingerprinted. Do not delay as it can still be a lengthy process to get the extension approved.

I have completed my student clinical rotation, what do I need to do to “sign out”?

If you are part of a clinical group, your clinical instructor will guide you through the process for returning your VA issued ID badge and ensuring that you complete the sign out process.

If you are not part of a clinical group, you will receive an email about a week prior to the end of your scheduled student rotation end date. It will contain instructions for badge return and the sign out process. If you finish your clinical rotation early, please contact Melinda Crain via email so that you can complete the sign out process earlier.

PAPERWORK REDUCTION ACT AND PRIVACY ACT NOTICE

Public reporting burden for this collection of information is estimated to average 30 minutes, including the time for reviewing instructions, searching existing data sources, gathering data, completing, and reviewing the information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to VA Clearance Officer (005R1B), 810 Vermont Avenue NW, Washington, DC 20420. Do not send applications to this address.

AUTHORITY: The information requested on this form and Authorization for Release of Information is solicited under Title 38, United States Code, Chapters 73 and 74.

PURPOSES AND USES: The information requested on the application is collected to determine your qualifications and suitability for appointment to a VA clinical training program. If you are appointed by VA, the information will be used to make pay and benefit determinations and in personnel administration processes carried out in accordance with established regulations and systems of records.

ROUTINE USES: Information on the form may be released without your prior consent outside the VA to another federal, state or local agency. It may be used to check the National Practitioner Health Integrity and Protection Data Bank (HIPDB) or the List of Excluded Individuals and Entities (LEIE) maintained by Health and Human Services (HHS), Office of Inspector General (OIG), or to verify information with state licensing boards and other professional organizations or agencies to assist VA in determining your suitability for a clinical training appointment. This information may also be used periodically to verify, evaluate, and update your clinical privileges, credentials, and licensure status, to report apparent violations of law, to provide statistical data, or to provide information to a Congressional office in response to an inquiry made at your request. Such information may be released without your prior consent to federal agencies, state licensing boards, or similar boards or entities, in connection with the VA's reporting of information concerning your separation or resignation as a professional staff member under circumstances which raise serious concerns about your professional competence. Information concerning payments related to malpractice claims and adverse actions which affect clinical privileges also may be released to state licensing boards and the National Practitioner Data Bank. Information will be stored in a confidential and secure VA database for purposes of processing your application and may be verified through a computer matching program. Information from this form may also be used to survey you regarding employment opportunities in VA and to solicit you perceptions about your clinical training experiences at VA and non-VA facilities.

EFFECTS OF NON-DISCLOSURE: See statement below concerning disclosure of your social security number. Completion of this form is mandatory for consideration of your application for a clinical training position in VA; failure to provide this information may make impossible the proper application of Civil Service rules and regulations and VA personnel policies and may prevent you from obtaining employment, employee benefits, or other entitlements.

INFORMATION REGARDING DISCLOSURE OF YOUR SOCIAL SECURITY NUMBER UNDER PUBLIC LAW 93-579 SECTION 7(b)

Disclosure of your Social Security Number (SSN) is mandatory to obtain the employment and benefits that you are seeking. Solicitation of the SSN is authorized under provisions of Executive Order 9397 dated November 22, 1943. The SSN is used as an identifier throughout your Federal career. It will be used primarily to identify your records. The SSN also will be used by Federal agencies in connection with lawful requests for information about you from former employers, educational institutions, and financial or other organizations. The information gathered through the use of the number will be used only as necessary in personnel administration processes carried out in accordance with established regulations and published notices of systems of records, 'Applicants for Employment' under Title 38, U.S.C.-VA (02VA135), in the 2003 Compilation of Privacy Act Issuances. The SSN will also be used for the selection of persons to be included in statistical studies of personnel management matters. The use of the SSN is necessary because of the large number of Federal employees and applicants with identical names and birth dates whose identities can only be distinguished by the SSN.

Instructions

The information collected on this form is used to determine your acceptability for Federal and Federal contract employment and your enrollment status in the Government's Life Insurance program. You may be asked to complete this form at any time during the hiring process. Follow instructions that the agency provides. If you are selected, before you are appointed you will be asked to update your responses on this form and on other materials submitted during the application process and then to recertify that your answers are true.

All your answers must be truthful and complete. **A false statement on any part of this declaration or attached forms or sheets may be grounds for not hiring you, or for firing you after you begin work. Also, you may be punished by a fine or imprisonment (U.S. Code, title 18, section 1001).**

Either type your responses on this form or print clearly in dark ink. If you need additional space, attach letter-size sheets (8.5" X 11"). Include your name, Social Security Number, and item number on each sheet. We recommend that you keep a photocopy of your completed form for your records.

Privacy Act Statement

The Office of Personnel Management is authorized to request this information under sections 1302, 3301, 3304, 3328, and 8716 of title 5, U. S. Code. Section 1104 of title 5 allows the Office of Personnel Management to delegate personnel management functions to other Federal agencies. If necessary, and usually in conjunction with another form or forms, this form may be used in conducting an investigation to determine your suitability or your ability to hold a security clearance, and it may be disclosed to authorized officials making similar, subsequent determinations.

Your Social Security Number (SSN) is needed to keep our records accurate, because other people may have the same name and birth date. Public Law 104-134 (April 26, 1996) asks Federal agencies to use this number to help identify individuals in agency records. Giving us your SSN or any other information is voluntary. However, if you do not give us your SSN or any other information requested, we cannot process your application. Incomplete addresses and ZIP Codes may also slow processing.

ROUTINE USES: Any disclosure of this record or information in this record is in accordance with routine uses found in System Notice OPM/GOVT-1, General Personnel Records. This system allows disclosure of information to: training facilities; organizations deciding claims for retirement, insurance, unemployment, or health benefits; officials in litigation or administrative proceedings where the Government is a party; law enforcement agencies concerning a violation of law or regulation; Federal agencies for statistical reports and studies; officials of labor organizations recognized by law in connection with representation of employees; Federal agencies or other sources requesting information for Federal agencies in connection with hiring or retaining, security clearance, security or suitability investigations, classifying jobs, contracting, or issuing licenses, grants, or other benefits; public and private organizations, including news media, which grant or publicize employee recognitions and awards; the Merit Systems Protection Board, the Office of Special Counsel, the Equal Employment Opportunity Commission, the Federal Labor Relations Authority, the National Archives and Records Administration, and Congressional offices in connection with their official functions; prospective non-Federal employers concerning tenure of employment, civil service status, length of service, and the date and nature of action for separation as shown on the SF 50 (or authorized exception) of a specifically identified individual; requesting organizations or individuals concerning the home address and other relevant information on those who might have contracted an illness or been exposed to a health hazard; authorized Federal and non-Federal agencies for use in computer matching; spouses or dependent children asking whether the employee has changed from a self-and-family to a self-only health benefits enrollment; individuals working on a contract, service, grant, cooperative agreement, or job for the Federal government; non-agency members of an agency's performance or other panel; and agency-appointed representatives of employees concerning information issued to the employees about fitness-for-duty or agency-filed disability retirement procedures.

Public Burden Statement

Public burden reporting for this collection of information is estimated to vary from 5 to 30 minutes with an average of 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of the collection of information, including suggestions for reducing this burden, to the U.S. Office of Personnel Management, Reports and Forms Manager (3206-0182), Washington, DC 20415-7900. The OMB number, 3206-0182, is valid. OPM may not collect this information, and you are not required to respond, unless this number is displayed.
