

My name is Stacy Duncan. I joined the Spinal Cord Injury (SCI) Service at the St. Louis VA Medical Center in 2008. I received a B.S. degree in Social Work from Central Missouri State University in 1996 and a Master's degree in Social Work from the University of Missouri-Columbia in 2003. I have been a Licensed Clinical Social Worker since 2005. Throughout my career, I have had the opportunity to work in various setting such vocational rehabilitation, mental health, and in family, geriatric and physical health. In 2003 I started working with veterans as the Director of Social Services at Missouri Veterans' Home in Mexico,

MO.

I have also been engaged in various community organizations. For 3 years I organized fundraisers for the Mid-Missouri Alzheimer's Association and facilitated a caretakers' support group. I have also been involved in fundraising activities for the American Heart Association and Relay for Life. Lastly, I served on the board for the William Woods School of Social Work.

I am excited to continue my career serving veterans at the SCI Service.

I can be reached in my office (2S11A) or at 314-652-4100 or 800-228-5459, ext. 6-6220.
