

My name is Dr. Kate Goedeker. I have been a clinical psychology resident at the St. Louis VA Medical Center since 2006. I received my B.A. in Psychology from the University of St. Thomas in St. Paul, Minnesota, in 1999. I obtained a Ph.D. degree in clinical psychology at Purdue University in 2007. After completing an internship in 2005-2006 and working in the Substance Abuse Treatment Program at the St. Louis VA Medical Center, I joined the Spinal Cord

Injury/Dysfunction (SCI/D) Service in 2008.

I thoroughly enjoy working with veterans and am thrilled to be a part of the SCI/D treatment team. I can be reached in my office (Building 52, 2S20) or at 314-652-4100 or 800-228-5459, ext 6-6726.
