

My name is Angela Tabaka. I joined the Spinal Cord Injury/Dysfunction (SCI/D) Service in May 2008 as a Nurse Practitioner.

I have 10 years of experience as a licensed Paramedic, 7 years of experience as Registered Nurse in a Burn Center, and 2 years of experience as a critical care Nurse Practitioner. After obtaining an Associate Degree in Nursing I completed a Master's of Science in Nursing program and a Nurse Practitioner degree at Jewish Hospital College of Nursing in Saint Louis, Missouri.

I am excited to work closely with veterans with SCI, as well as with our other nurse practitioner, SCI physicians, nurse manager and nursing staff. Besides inpatient and outpatient care I focus on coordinating the care of patients with SCI when they have appointments at John Cochran.

I can be reached on the in-patient unit at 314-894-5727 or 800-228-5459, ext 6-4832.
